

A message from your teachers:

Happy May! We wish all of our Head Start moms a Happy Mother's Day!

Here are a few things to remember:

-  With the sunshine coming, we ask for parents to please ensure each child has a sun hat in their cubby daily.
-  Footwear – As the weather starts to warm up many parents choose to put sandals on their child. For safety reasons, all sandals need to securely attach to your child's feet. We also only accept closed toed, as opposed to open toe. Unfortunately, flip-flops will not be allowed to be worn, due to them posing a high risk of injury in a busy setting.
-  Sunscreen – On sunny days, families are asked to put sunscreen on their child before dropping off in the morning. We will then reapply sunscreen in the afternoon using the bottle each family supplies for their child.
